Jubilee themed competitions!

Best Dressed Platinum Jubilee House

Instead of a best kept garden competition the Parish Council is holding a 'Best Dressed Jubilee House' competition.

How far can you go with your Platinum Jubilee decorations?!

All you need to do is to dress up your house with things like flags and bunting, in fact anything to show off your celebration of the Queen and her Platinum Jubilee!

The Parish Councillors will be having a wander around our Parish villages on the Platinum Jubilee weekend and choosing the best dressed houses!

The winner and runners up will be announced at the Big Jubilee Lunch on Sunday June 5th. You could be in with a chance of winning a voucher to spend at The Green Man!

Queencrow

Make a scarecrow of Her Majesty Queen Elizabeth II at any point during her 70 year reign.

Queencrows should be made from as much recycled materials as possible. This will be taken into consideration during the judging. A hay bale on the grass area at Munton Fields, behind the garages, will be available for people to take small amounts of hay to use for effect. Please only take what you need so there is plenty to go round.

Display your Queencrow in your garden for all to see! Judging will take place over the Platinum Jubilee weekend and the winners announced at the Big Jubilee Lunch on the Green on Sunday 5th June. There will be a prize for the best Queencrow!

Royal Crown Hat

One for the kids, of any age! Make a hat in the style of a crown or anything royal.

It must be able to stay on your head without holding it!

The hats/crowns will be judged in a parade at the Big Jubilee Lunch on the Green on Sunday June 5th. The winner and runners up will win a prize!

Thursday 2nd June

1pm –4pm Flower festival

The theme being celebrated is the 70 years reign of HM Queen Elizabeth II and looking back at life in the village of Ropsley. There will be some tiaras hidden amongst the displays for the children to find and count. Free admission, with any donations kindly given going towards Ropsley church.
